<b>Travel</b>	Each season depending on the interest level of players and their families within each division, travel teams (1 or 2 teams per division) are formed from our in-house divisions. Tryouts are held at the beginning of each season by division. Travel teams participate in weekend tournaments during our regular season and in a travel league during the month of August after our in-house season ends. Chili Youth Baseball does have "travel only" teams (Cal Ripken and Babe Ruth) that do not play in our in-house divisions. Tryouts are also required and there is a significant time commitment (league play during the week and travel tournaments on the weekend).							<b>Rich Aureli</b> 234-8699, ext. 7
